TO OUR VALUED PATIENTS:

NeoHealth strives to provide affordable quality health care to the residents of our service area. Our doctors and staff are committed to keeping you and your family healthy, at rates that you can afford. If you have medical coverage, our staff will continue to file claims to your insurance company, Medicaid, SoonerCare, or Medicare on your behalf. If you think you might be eligible for Medicaid/SoonerCare our staff will be available to help you with the process. In order to continue with our current level of services, it will be necessary to collect the necessary fee from all of our patients when services are received. This includes the co-pay from Medicare and private insurance, as well as the minimum fee.

For patients who do not have any type of medical coverage, our fees will continue to be discounted, based on family income and size. For those who qualify, a minimum fee will be charged for each service performed. (Ex: Office visit, lab, x-ray etc.)

You may contact our Billing Department at **(877) 672-6221** if you have any questions regarding your fees. The staff of NeoHealth is appreciative of your ongoing support of our facilities, and we look forward to serving you and your family for all of your healthcare needs.

Absolutely NO SMOKING OR VAPING is allowed on our property. Thank you for your cooperation.

BILLING, PAYMENT, and REFERRAL INFORMATION

NeoHealth’s ability to remain open and provide discounted services greatly depends on our ability to collect what fees we are required to charge, even when those fees are discounted.

IN ORDER TO HAVE YOUR CHARGES DISCOUNTED IF YOU QUALIFY, YOU MUST BRING PROOF OF INCOME AT THE TIME OF VISIT.

BILLING AND PAYMENT

NeoHealth provides services billed according to patient’s ability to pay. After all sliding fee discounts are applied to charges, the patient is responsible for paying the remaining fees. NeoHealth is **not a free clinic**. Unwillingness to pay fees after discounts is cause to deny services in the future. We will be happy to assist any patient with a payment plan if necessary.

REFERRAL SITUATIONS

NeoHealth is a **primary care** clinic. When a provider determines it is necessary to refer a patient to a specialist, the patient is responsible for that bill, and/or making payment arrangements with that provider. NeoHealth is not responsible for, nor has any control over, charges and fees occurring from referrals to other clinics.

LAB and X-RAY

Please understand that although the x-ray services that we contract for through local hospitals are discounted, NeoHealth has no control over the bill a patient receives for reading those results. A hospital is required by law to have every x-ray evaluated by a radiologist, and that radiologist’s bill is separate from our services.

Lab fees will not have extra reading charges. The amount the patient pays at NeoHealth includes the entire fee for those services.

REGISTRATION

In order to make your visit with us as smooth and quick as possible, it is necessary for you to call for an appointment. If your appointment is for a routine or follow-up visit, you will speak with a Registration staff.

If you are calling for an urgent situation, every effort will be made to make a same day appointment with your provider or the walk-in provider.

If you get sick when NeoHealth is closed, please call the closest NeoHealth Center and follow instructions provided on what actions to take:

- **If it is an emergency, please call 9-1-1**

If you are more than 15 minutes late for an appointment, you may need to re-schedule. This is in order to keep our providers on schedule and avoid delays for other patients.

You must make sure you bring your identification card to each visit if you are covered by Medicaid, SoonerCare, Medicare, or private insurance. Please let us know if your insurance carrier or insurance eligibility changes, or if you have a change in address, phone number(s), or other pertinent information that affects your account. Bring your children’s immunization records to each of their appointments.

If you are taking medicine prescribed by another doctor, bring all medicine bottles with you to your appointment.

PATIENT RIGHTS AND RESPONSIBILITIES

CONFIDENTIALITY

It is the policy of NeoHealth to treat **all** information confidentially. This includes patient records and conversations. We will investigate any reported violation of this policy. If you have any questions, please ask any Registration representative for information.

NeoHealth makes every effort to provide our patients with an environment that is safe, private, and respectful of our patients' needs. If you have a complaint about our services, facilities, or staff, we want to hear from you. We will do everything that we can to see that your experience with us is a professional one in every way.

ISSUES OF CARE

NeoHealth is committed to include your participation in decisions regarding your care. As a patient, you have the right to ask questions and receive answers regarding the course of clinical care recommended by any of our health providers, including discontinuing care. We urge you to follow the healthcare decisions given to you by our providers. However, if you have any doubts or concerns, or if you question the care prescribed by our providers, please do not hesitate to consult with our staff.

PATIENT RIGHTS

The patient has the right to receive information from health providers and to discuss the benefits, risks, and costs of appropriate treatment alternatives. Patients should receive guidance from their health providers as to the optimal course of action. Patients are also entitled to obtain copies or summaries of their medical records, to have their questions answered, to be advised of potential conflicts of interest that their health providers might have, and to receive independent professional opinions.

The patient has the right to make decisions regarding the health care that is recommended by his or her provider. Accordingly, patients may accept or refuse any recommended medical treatment. The patient has the right to courtesy, respect, dignity, responsiveness, and timely attention to his or her needs regardless of race, religion, ethnic or national origin, gender, age, sexual orientation, or disability. The patient has the right to confidentiality. The health care provider should not reveal confidential communications or information without the consent of the patient, unless provided for by law or by the need to protect the welfare of the individual or the public interest.

The patient has the right to continuity of healthcare. The health provider has an obligation to cooperate in the coordination of medically indicated care with other health providers treating the patient. The health provider may discontinue care provided they give the patient reasonable assistance, direction and sufficient opportunity to make alternative arrangements.

PATIENT RESPONSIBILITIES

1. Good communication is essential to a successful healthcare provider/patient relationship. To the fullest extent possible, patients have the responsibility to be truthful and to express their concerns clearly to the health care provider.
2. Patients have the responsibility to provide a complete medical history to the fullest extent possible, including information about past illnesses, medications, hospitalizations, family history of illness, and other matters relating to their present health.
3. Patients have the responsibility to request information or clarification about their health status or treatment when they do not fully understand what has been described by their healthcare provider.
4. Once patients and health providers agree upon the goals of therapy, patients have a responsibility to cooperate with the treatment plan. Compliance with health provider instructions is often essential to public and individual safety. Patients also have a responsibility to disclose whether previously agreed upon treatments are being followed and to indicate when they would like to reconsider the treatment plan.
5. Patients should also have an active interest in the effects of their conduct on others and refrain from behavior that unreasonably places the health of others at risk.

FINANCIAL RESPONSIBILITIES

1. NeoHealth is committed to providing the best treatment for our patients, and we charge what is usual and customary for our area.
2. Payment for services (insurance co-payment, the sliding fee plan, or full payment) is required at the time of your visit. Cash, personal checks, money orders, or cashier's checks are accepted.
3. If you have health insurance, including Medicare and/or Medicaid, we will file for reimbursement for the services we provided. Your insurance policy is a contract between you and your insurance company. You are responsible for knowing and understanding what services are and are not covered under your policy. If your insurance carrier denies any or all of the payment, for any reason, you will be responsible for the denied amount of the visit. You are required to notify staff immediately when insurance coverage changes.
4. If you are uninsured, you may qualify for a discount. NeoHealth offers a "sliding fee" scale that calculates the fee discount based on the number of individuals in your household and your household income. You will need to complete and sign an application form and provide proof of income (such as a recent income tax form, a W-2 form, or several recent check stubs). Based on the application and the information provided, we will determine the amount of your discount. You will be required to re-qualify for our "sliding fee" scale at least every 3 months to annually.
5. NeoHealth is **not a free clinic** and we must collect from all of our patients in order to continue to provide services to our community. We recognize, however, that on occasion, our patients require financial assistance. An extended payment plan is available to patients who qualify. If you would like to apply for an extended payment plan, you are required to interview with a financial counselor.
6. Should you fail to comply with the above stated responsibilities, NeoHealth reserves the right to reschedule your visit, refer you to another practice, or dismiss you from our practice.

DISCOUNT DRUG PRICING AND MEDICATION REFILLS

DISCOUNT DRUG PROGRAM

If a patient qualifies for a free medication program, NeoHealth does attempt to assist patients with paperwork required so that they may receive their medication(s). It is **not** NeoHealth's sole responsibility to complete all necessary paperwork. The patient is expected to participate in completing certain paperwork for this service.

Due to NeoHealth's federally qualified status, we are able to purchase drugs at a significant discount over regular pharmacy pricing. This is based on a percentage (%) scale, therefore, when a drug costs less, there is a smaller discount. When a drug falls into the higher price range, the discount becomes much more significant.

Please feel free to take our written prescription and compare prices before purchasing. This is not something our nursing staff has time to do on a daily basis.

Although in most instances the 340B Discount Drug Program pricing is less, there could be instances where pricing is very close to the same at all pharmacies. Currently, The Health and Wellness Center's participates in the 340B Discount Drug Program. Please ask staff for participating pharmacies.

REFILLS

You may call **your pharmacy** during their regular business hours to request a refill. Please have the pharmacy **FAX** the refill request to NeoHealth. Each clinic's fax numbers are listed below. Please **allow at least 5 business days** for medication refills. If you wait until you are out of your medication, there may be a delay in refilling your prescription. Be sure to allow extra time for weekends and holidays. If you should run out of your medication on a weekend or holiday, there will be a delay in refilling your prescription until the center re-opens. Please have your pharmacy fax your refill request to the center you use, and call your pharmacy prior to picking up your medication.

PATIENT CENTERED MEDICAL HOME (PCMH) AGREEMENT

Northeastern Oklahoma Community Health Centers, Inc. (NeoHealth) wants to be YOUR Medical Home. Our goal at NeoHealth is to provide patient centered care to all its patients. Patient centered care means your medical provider, Health Care Team, patient and families work together to provide quality care to YOU. We do this through patient and family communication where the needs and preferences of the patient are communicated to your NeoHealth Health Team. Your NeoHealth Health Care Team may include your medical provider – a doctor, nurse practitioner, or physician’s assistant and your nurse, dietician, lab, x-ray, and pharmacist. In turn we will listen to these needs and focus their education and training to make sure YOU get good quality health care.

Our plan:

NeoHealth and the patient/parent will achieve this patient centered care based on these items that we agree upon.

- NeoHealth will provide quality health care to the best of our ability and knowledge in a safe environment.
- Patients and their families have the ability to ask questions and voice concerns through an open channel of communication with our Health Team.
- The patient/parent is honest in the history of symptoms. Your Health Team is open and honest in relating the diagnosis and related treatment. It is important for the patient/parent to disclose all symptoms or medical problems at the time of treatment.
- The patient/parent is agreeable with your treatment plans. NeoHealth will provide clean and understandable instructions.
- NeoHealth will provide patient with enough time during their office visit to make sure the medical problem is understood and the treatment plan is thoroughly explained. Both the patient/parent and your Health Team will respect one another’s time.
- The patient/parent will pay for their share of the services rendered not covered by their insurance at the time of the office visit. It is the patient/parent responsibility to know their insurance benefits.
- NeoHealth offers same day appointments for acute care and allots reasonable times for follow-up, preventative care and disease management appointments.
- NeoHealth may refer patient to a specialist or suggest certain tests/procedures that are not done in the office but instructions will be given for any referral. It is the patient/parent responsibility to find out if the specialist is covered by their insurance.
- NeoHealth is not responsible for costs for patient specialty care or tests/procedures recommended by our providers.
- NeoHealth will make the referral; however, it is the responsibility of the patient/parent to follow-up with the referral and understands the insurance coverage for the specific referral.
- NeoHealth will give results of lab/x-ray tests by calling and/or mailing the patient/parent. The patient/parent should call the office if not notified about test results in an appropriate time frame.
- The patient/parent shall do their best to participate in health habits and lifestyles.
- NeoHealth may provide health information. The patient/parent can use this information and ask questions if needed.
- The patient/parent should keep their appointments; a missed appointment takes up time that another patient could use.
- The patient/parent should arrive on time for their scheduled appointment. NeoHealth in turn will work to stay on schedule.
- NeoHealth will respect the patient/parent individually. We will not make judgments based on race, religion, gender, gender identity, age or disability.
- NeoHealth will respect patient/parent privacy. Medical information will not be shared with anyone unless it is vital for treatment, payment or health care operations, you give us permission, or it is required by law or court order.
- NeoHealth has computer prescription programs with most pharmacies. Prescriptions are sent to your specified pharmacy electronically, otherwise, a printed prescription will be provided.
- This agreement that describes your NeoHealth Health Care Team relationship with YOU has been given to and received by a patient/parent for his or her Health Team member today.
